

Simplify Online Giving with DonorDock

Your long hours spent organizing and tracking donations are important and **time-consuming**. And what about the time to maintain donor relationships and raise awareness about the work you're doing?

Making an impact on your community isn't easy, but your passion is making a difference!

What if you could accept donations **for free** and have your donor's data instantly synced in one easy-to-use location?

A place where you get reminders to reach out to donors, so you can prioritize those important relationships and build excitement around your mission?

DonorDock is the #1 Recommended Solution

"DonorDock provides everything we needed for our organization's first CRM, plus room to grow." - *Current Customer*

Top Features

Giving Pages

Accept **unlimited** donations with giving pages that seamlessly integrate with your website.

The best part?

There's **no charge** to you!

Donor Management

Donor and gift information now live together in one place. No more **manual entry** taking up your time.

Imports

Migrate your data easily.

Using spreadsheets? No problem. With a few clicks **convert your data** into usable information.

Nudges

It's like you'll have your own **virtual assistant** with reminders that help you stay connected with your donors and build lasting relationships.

Dashboard

See at a glance everything you need to make **informed decisions** for your organization.

Free, Unlimited Support

You're not in this alone!

You'll **gain access** to:

- Weekly Live Trainings
- Weekly Live Q&A Sessions
- On-Demand Video academy
- Help Center
